

***Riding With Rhythm
has recently introduced a
New Referral Program***

How the Referral Program works

Actively enrolled students at Riding With Rhythm are encouraged to refer friends or family members.

When their referee schedules and completes a 3pk of lessons with Shirley, then the active student who referred them **receives \$5.00 Horsey bucks. Horsey bucks** are good towards their next purchase of their new 3 pack of lessons, merchandise or show entries.

The schedule only has a few openings left, for this very reason we want to reach out to our student's to refer their friends & families as they have participated in our various programs and know how much fun we have at Riding With Rhythm with Shirley Dubay, Certified Riding Instructor.
